David Grunes, Chief
Bedford Fire Department
55 Great Road
Bedford, MA 01730
Phone: (781) 275-7262

The   Bedford, Massachusetts Fire Department is here to protect the lives   and property of the citizens of the town, as well as the lives of thousands   of people who enter our community each day to work in the many commercial and   industrial firms located here. The department is responsible for   providing fire protection for several large complexes, such as the
 VA Medical Center
,
 Middlesex Community College
, and
 Carleton-Willard Village
.

The career firefighters, along with the on call firefighters, provide an array of   diversified skills. They are trained in Emergency Medical Services,   Hazardous Material Operations, Confined Space Rescue, Vehicle Extrication,   Cold Water Rescue, High Angle Rescue, and much more. The firefighters   work and train throughout the year to provide a professional level of fire   suppression, fire prevention, and emergency medical care for Bedford 24 hours a day, 7 days a week.
